Who Are We?

The club was formed by a group of classic car and motor cycle enthusiasts living in and around Ilminster in Somerset.

Our main objective is to bring together those in the area interested in restoring, using and enjoying classic vehicles. To this end we organise regular get-togethers for members, including evening and daytime runs and other outings.

We also have a strong community spirit and are committed to supporting local charities and events.

You don't need to own a classic car to join us: all that's needed is an interest and enthusiasm for classic vehicles. We also recognise that classic car enthusiasts often have slightly less enthusiastic partners so our events always try to keep both parties happy.

What We Do

Social Events: Our winter meetings mainly take place at Ilminster Bowling and Tennis Club. In the summer months we look for interesting local venues so we can give the cars an outing.

Club Runs to destinations of interest in Somerset, Devon and Dorset or further afield for brunch, lunch, a picnic or fish and chips.

Car Shows: We always have a strong presence at the Ilminster Classic Car Show. We also support local classic car events and shows.

Tours/Rally: As we are a MSUK recognized club we will be organising club tours- contact us for further information.

Join Now

Membership (which covers the member, partner and children living at home) runs from 1st January until 31st December each year. To join simply fill in your details and return with payment to the membership secretary:-

IVCVC
Portway House
Langport
