ILLE VALLEY CLASSIC VEHICLE CLUB

Who Are We?

The club was formed by a group of classic car and motor cycle enthusiasts living in and around Ilminster in Somerset.

Our main objective is to bring together those in the area interested in restoring, using and enjoying classic vehicles. To this end we organise regular get-togethers for members, including evening and daytime runs and other outings.

We also have a strong community spirit and are committed to supporting local charities and events.

You don't need to own a classic car to join us: all that's needed is an interest and enthusiasm for classic vehicles. We also recognise that classic car enthusiasts sometimes have slightly less enthusiastic partners so our events always try to keep both parties happy.

What Do We Do?

Social Events: Our winter meetings mainly take place at Ilminster Bowling and Tennis Club. In the summer months we look for interesting local venues so we can give the cars an outing.

Social evening, Lamb & Lion

Club Runs: to destinations of interest in Somerset, Devon, Dorset or further afield for brunch, lunch, a picnic or a fish and chip supper.

Relax, enjoy a summer BBQ

Car Shows: We keep a comprehensive list of static shows within a 40 mile radius and as a club support local meets, classic car events and motor shows.

Tours/Rally: Available, including our own Wessex Tour, varying in length from 1 to several days, including foreign destinations.
